Sit back, relax, and let the Internet do the work!

PrivilegeXchange is the same technology used by Federal and State Emergency Response Programs!

Time Saver

Don't spend valuable time manually printing and mailing affiliation letters.

Easy to Use with Any Credentialing Software

All you need to participate is a simple upload file from your current software system or even a spreadsheet.

No IT Support Needed

All you need to use the system is a web browser and an internet connection.

Money Saver

Don't waste money on postage and print materials.

Customizable

You pick the data elements you want in your letter and set up your own "look and feel"!

Affordably Priced

On-line queries between participating hospitals are free! Participating organizations pay a small monthly fee.

Immediate Implementation

You can be up and running in less than a day!
